

HYROX

Freelancer Operations Crew

HYROX - The World Series of Fitness Racing is a global sport event series started in 2017. HYROX is the new sport of fitness racing, composed of a community of fitness enthusiasts training towards a common goal. HYROX has grown to a global event series with over 80 events globally in our upcoming 24/25 season.

We provide a journey of personal improvement and community driven success for people of all fitness levels & backgrounds. Inspired by millions of active people around the world considering fitness as their lifestyle, HYROX offers a competition based experience for everybody together with strong partner brands like Puma, Red Bull and Myprotein.

Are you ready to join the #HYROXFAMILY? Become part of our team and experience exciting events in different countries!

We are looking for motivated and travel-loving freelancers to support our team in the setup and teardown of our events in various countries.

YOUR TASKS

- Setup and teardown of event infrastructure
- Assist with technical and logistical implementation on-site
- Handle tools and machinery as needed
- Stick to given schedules and communicate with the on-site manager
- Work together with a dynamic, friendly and open-minded team.

YOUR PROFILE

- Willingness to work weekends and night shifts is mandatory
- Advanced English skills; additional language skills are a plus
- Highly independent and reliable
- Friendly, communicative, and loyal personality with a positive "can-do" attitude
- Experience in events is an advantage
- Driver's license and forklift license are nice-to-have

HYROX

We Offer

- **Flexible Opportunities:** Work on an invoicing basis and enjoy the freedom of freelancing with the ability to shape your own schedule.
- **International Experience:** Travel to events in Germany, Austria, Switzerland, France, Italy, Denmark, Sweden, UK & Ireland, as well as the Benelux region.
- **Attractive Compensation:** Competitive rates, travel and accommodation for events covered.
- **Training Opportunities:** We support you in expanding your skills, such as through training in handling technical equipment or obtaining additional qualifications like a forklift license.

Interested? We can't wait to meet you!

Send your application, including your CV, a short cover letter, and your possible start date to boriss@hyrox.com. Your contact is Boris Visokoborskis.
