

# HYROX

## Senior IT Systems Administrator (m/f/d)

### HYROX

**HYROX** - The World Series of Fitness Racing is a global sports event series, which was founded in Germany in 2017. In our current 24/25 season we have grown into a global movement spanning 5 continents.

### THE ROLE

As an experienced **Senior IT Systems Administrator (m/f/d)** you play a vital role in developing, overseeing and enhancing our IT infrastructure, while ensuring security, scalability, and efficiency within our growing global business. This role involves managing a Mac-based environment, overseeing Jamf and Google Workspace administration, and providing technical support for our international team. We are looking for a collaborative personality with a positive "can-do" attitude and strong communication skills. **The role is based in Hamburg** including occasional travel to our legal entities across Europe and the Americas.

### KEY DUTIES & RESPONSIBILITIES

- **Mac Environment Administration** – Maintain and optimize Mac hardware and software to ensure seamless functionality and security.
- **Enterprise & Software Integration** – Ensure Mac compatibility with enterprise applications and collaboration tools.
- **Jamf MDM Management** – Administer and enhance Jamf for device enrollment, software distribution and security compliance.
- **Google Workspace Administration** – Manage security, access permissioning, and data integrity for Google Workspace applications.
- **Collaboration & Training** – Implement governance policies and develop documentation to support end-user adoption and proficiency.
- **Global IT Support & Infrastructure** – Provide IT support across HYROX locations and coordinate with teams, vendors, and service providers for seamless operations.
- **IT Policy & Technology Strategy** – Partner with leadership to develop IT policies, evaluate emerging technologies, and enhance operational efficiency.
- **IT Procurement & Budgeting** – Manage IT procurement, vendor contracts, and technology investments for cost-effectiveness.
- **IT Security & Compliance** – Oversee the design and implementation of security policies and audits, ensure regulatory compliance working with external consultants.

# HYROX

## SKILLS & EXPERIENCE

- Bachelor's degree in Computer Science, Information Technology, or a related field (or equivalent industry experience).
- 5+ years of experience in IT systems management or senior IT support, preferably in a globally distributed fast growing organization, leadership experience is a plus.
- Extensive knowledge of macOS administration, troubleshooting, and optimization.
- You have strong hands-on experience with JAMF or similar MDM platforms for enterprise device management.
- Proficiency in Google Workspace administration, including security management, policy enforcement, and automation.
- Solid understanding of networking (VPN, LAN/WAN, firewalls) and cybersecurity best practices.
- Experience with IT service management (ITSM) frameworks and enterprise applications. Experience with ticketing systems is a plus.
- You have excellent written and verbal communication skills, with the ability to collaborate across technical and non-technical teams globally.
- You consider yourself a hands-on self-starter who thrives in a fast-paced start-up environment.
- You're fluent in English. Advanced German or other European languages are a plus.
- You value in-person collaboration in our office-first environment.

## OUR OFFER

- Opportunity to take ownership of our IT strategy, implement new technologies, and scale operations with the potential to grow.
- Enjoy autonomy and the opportunity to make a lasting impact.
- A relaxed work atmosphere within a supportive team, flat hierarchies, short decision-making processes, and plenty of creative freedom.
- A good work-life balance with flexible trust-based working hours and the possibility for hybrid work
- A modern office in a prime location with excellent public transport connections in Hamburg Altona.
- 28 days holidays.
- Gym membership and lunch subsidy
- Employee discounts in our HYROX Stores.

Interested? Then we're looking forward to your online application. Just upload your CV (as .pdf) and answer a couple of short questions in our application form. Your contact is Katja Schimborski (HYROX People)
